### ENGLISHWITHOUTBORDERS

#### Introduction

GLOBAL HIPPO ASSOCIATION is organising **8<sup>th</sup> International English Language Olympiad** (hereinafter the Olympiad). The Olympiad is open to students 6 – 19 years old from the whole world. Students wishing to participate will take tests at one of the Olympiad approved venues (state schools and schools that are part of the formal education system, as well as private schools).

#### Hippo and its Aims

**The Olympiad** is an international event which promotes English language, challenges students around the globe to compete in English language knowledge, and improves the co-operation between teachers. The Olympiad encourages the development of a shared sense of identity and integration, serves as a role model for young people living together as one community.

The main goal is to create and nourish friendly relations, international understanding and a spirit of sporting competitiveness between young people interested in English language from all around the world.

#### Olympiad Regulations

##### 1. Dates and Venues

The Olympiad will be run in **three** rounds: preliminary round, semi-final round and final round.

The preliminary round will be held on **21<sup>st</sup> and 22<sup>nd</sup> February 2020** in approved venues in Europe and **7<sup>th</sup> and 8<sup>th</sup> February 2020** in the Rest of the World. The participating schools enrolling a group of candidates will be required to host the preliminary round of the Olympiad. *If they wish to enrol a group of candidates and run the preliminary round of the Olympiad on their premises, the schools need to contact Global Hippo Association ([info@hippo-olympiad.org](mailto:info@hippo-olympiad.org)) directly for venue approval.*

Hippo semi-finals will be held in bigger towns in each of the participating regions/zones, on **27<sup>th</sup> and 28<sup>th</sup> March 2020** in Europe and **13<sup>th</sup> and 14<sup>th</sup> March 2020** in the Rest of the World. The network of semi-final venues will be based on the location of the semi-finalists.

The final round will be held in Lido di Jesolo (Venezia), Italy, from **15<sup>th</sup> to 17<sup>th</sup> May 2020**. 150 finalists (plus wildcards for details please see **10. Marking and Ranking**) as well as a school representative (chosen by the school), e.g. the student's teacher, will be invited to the final round of the Olympiad.

***Global Hippo Association keep the right to increase the number of finalists if the number of applicants exceeds 40,000, all in accordance with the Olympiad regulations.***

## **2. Candidate Registration and Fees**

Every participating school needs to appoint one of their staff as the Olympiad responsible/contact person (the details need to be provided in the submitted *Venue Approval Form*). This person will be in charge of applications and will need to ensure that all the Olympiad examination regulations are followed.

***HIPPO 2020 Online Applications.*** Upon venue approval, all schools will receive login details for the **Hippo Online Platform** (<http://soa.hippo-olympiad.org/>) where they need to register the candidates by entering the required details. The registration deadline varies from one country to another, and ranges from 20<sup>th</sup> December 2019 to 1<sup>st</sup> February 2020. After the application end date, no further amendments can be made. The system will automatically assign candidate numbers to applicants. The lists of candidates will remain available for printing the Preliminary Round attendance lists.

***NB: School coordinators are required to print the attendance registers for the preliminary round of the Olympiad. They are also kindly requested to double check the accuracy of candidate details. Candidate entries can only be made in Latin letters (A - Z, no language specific letters).***

***NEW: No candidate can be registered without the DOB and grade. School coordinators need to have the data ready before they start registering the candidates.***

**Some of the participating zones accept individual candidates. To find out whether your zone accepts individual candidates, please visit the Registrations page of the Hippo website and**

**contact the local coordinator.** In the zones where individual candidates are accepted, they will be given the opportunity to compete in the nearest possible approved venue. The full list of venues will be known after the application end date. Candidates will then be contacted and assigned to the nearest approved venue.

Registration end date varies from a country to another, and ranges from 20<sup>th</sup> December 2019 to 1<sup>st</sup> February 2020. Schools are advised to contact the local coordinator for details. No applications will be accepted after the deadline. For **group applications**, payment instructions will be sent by email upon the receipt of the application.

For Olympiad fees, please contact the local coordinator. The list of participating countries and coordinators is available on the Registrations page of the Hippo Olympiad website.

**NB: Children, family or relatives of organisers, coordinators or anyone involved in the Olympiad organisation cannot compete in the Olympiad.**

### 3. Definitions of Hippo Olympiad Zones

The Olympiad participants will be divided into Olympiad regions (hereinafter **zones**). The number of zones will depend on the number of participants.

The International HIPPO Board in consultation with the Local Organisers will decide on the final number of zones after the applications are finished, all in accordance with the regulations.

- Different zones have separate and independent governments or education systems, with independent Ministries of Education, or potential funding bodies which treat those different zones separately.
- Different zones have a historical, linguistic divergence.

Based on the number and location of the participants in previous Hippo years, the pre-set zones have been established.

In order to assign a new zone, the minimum number of applied candidates per category must be **150**.

In case of unexpectedly high number of applicants, zones can be further divided into two or more

smaller zones.

Also, in case of small number of participants in certain Hippo categories in established zones, the zone with a small number of participants in a specific hippo category will be merged with another zone.

#### **4. Olympiad Materials**

Tests for the preliminary round of the Olympiad will be delivered to the approved venue 2 days before the Olympiad date and need to stay closed until the preliminary round start time. They need to be sent back on the Monday after the preliminary round date and must be delivered within 5 working days, unless the Country Coordinator has provided another deadline. The return address will be provided with the materials. Where the return address is not provided with the materials, schools need to contact either the local coordinator or [coordination@hippo-olympiad.org](mailto:coordination@hippo-olympiad.org) for instructions. **The materials delivered after this date will not be marked.**

#### **5. Schedules and Inspections**

Each approved venue decides on the start time of the test depending on the number of participants per category. All approved venues must send their schedules to [info@hippo-olympiad.org](mailto:info@hippo-olympiad.org) by the Wednesday before the Olympiad date for possible inspections. Olympiad Examination Regulations will apply throughout the Olympiad.

Little Hippo category students compete in the regular category independent of the type of school

they come from.

**Special categories** are aimed at students who are considered bilingual according to the Hippo Olympiad regulations (see above) as well as for the international schools and the schools where the majority or all subjects are taught in English (except for the countries where English is the only official language, e.g. UK). **9. Olympiad – Final Round**

In the final round of the Olympiad, the candidates will be taking a **Gatehouse Awards** exam, all 4 skills included. The test samples / past papers are available on <http://www.hippo-olympiad.org>. The exam level for the final round will be one CEFR level higher than the one in the preliminary round that is the same as the semi-final round test.

**10. Marking and Ranking**

Tests of reading and listening are marked by an OMR device and for that reason need to be properly filled in. Candidates are required to use a **pen** while completing the OMR form. *An OMR sample form will be available on the website two weeks before the preliminary round of the Olympiad at the latest.*

Considering that in the semi-final round, candidates complete the reading and writing tests only and not the listening test, the OMR will be used for the reading test only.

In case an OMR form is not properly filled in (e.g. incorrect or missing candidate number) and the OMR device cannot read it, Global Hippo Association keeps the right to disqualify the candidate if the identity of the candidate cannot be established.

In the semi—final round, the essay will be marked only if two or more candidates have the same

number of points on both the reading and the writing test.

The ranking list for all categories as well as the names of the candidates who qualified for the semi-final round will be available on <http://www.hippo-olympiad.org> on **13<sup>th</sup> March 2020** for Europe and **28<sup>th</sup> February 2020** for the Rest of the World.

**The final round places will be assigned in the following way:**

**Top 150 finalists** will be admitted directly from the semi-final ranking list. The number of finalists per category will be proportional to the number of preliminary round participants in each category.

**Additional 10 places** will be assigned to the **regular** categories with the highest number of enrolments independent of the zone and in accordance with the ranking list.

In order to promote a multicultural environment, **wildcards** will be granted to the best participant from each of the countries that failed to produce finalists.

***GLOBAL INPUT keep the right to increase the number of finalists if the number of applicants exceeds 40,000, all in accordance with the Olympiad regulations.***

The finalists will have to confirm their participation in the final round by **30<sup>th</sup> April 2020**. In case a candidate is unable to travel to the finals, the next one on the ranking list will be invited.

## **11. Final Round**

All candidates need to be accompanied by **their English language teacher, or an English language teacher from their school. Parents who wish to accompany their children, need to make their own travel and accommodation arrangements as the hotels where the students are accommodated are booked exclusively for the Olympiad participants.**

Three-day half-board accommodation will be provided for all the candidates and their teachers free of charge.

The programme of the final round will be available on <http://www.hippo-olympiad.org> one week

before the final round at the latest and will include the Olympiad final round schedule as well as sightseeing options.
